

# Price list of BrOK<sup>®</sup> surge protectors for 2020

Surge protectors for data lines:

**1pSHDSL-BC/DIN, 2pSHDSL-BC/DIN**

**2pRS485-BC-W/DIN**

These data protections have been developed and are made to order for protection devices from the WESTERMO catalog offer. For this reason, we do not list them in the freely accessible price list of our company. If you are interested in using them for your application we will provide you with detailed technical and business information on request.
